PURPOSE

This policy document defines the process for which fees for Library services are created and updated by the Library Board.

SCOPE

This policy applies to all fees created and updated by the Library Board.

POLICY STATEMENT

The Board will review and set the fees for Library services annually. The Library will display a current fee schedule at all library locations and on its website. The fees schedule is subject to change by the Board at any time.

In order to maintain barrier-free and equitable access, the Library does not charge daily overdue fines on materials borrowed with the exception of overdue fees as outlined in the annual fee schedule.
